"AN ACT AUTHORIZING FIREFIGHTERS TO CONDUCT CHARITABLE FUNDRAISING BOOT DRIVES ON STATE HIGHWAYS."

1 Strike everything after the enacting clause and substitute the
2 following in lieu thereof:

3 "Section 1. (NEW) (*Effective October 1, 2013*) Notwithstanding any
4 provision of section 14-298 of the general statutes or any regulation
5 adopted thereunder, the Office of the State Traffic Administration
6 shall, at the request of a local traffic authority of a municipality, issue a
7 special event permit to allow members of the fire department of such
8 municipality to use a state highway, other than a limited access
9 highway, to collect donations for charitable purposes. No such permit
10 shall be issued except for the use of a state highway at an intersection
11 controlled by a traffic control signal or stop sign where the posted

12 speed limit is thirty miles per hour or less. No permit shall be issued
13 for a period of more than one day. No local traffic authority shall be
14 issued more than two such permits per year per fire company. The
15 issuance of a permit shall be considered an agreement by the
16 municipality to indemnify and hold harmless the state against any
17 financial loss and expense arising out of any claim, demand, suit or
18 judgment resulting from or related to the issuance of the permit or the
19 collection of donations."
